Saly October 06-11

**Dr D.M. Kangudie (MD, MPH)
Senior Health Advisor
Regional Health Office**

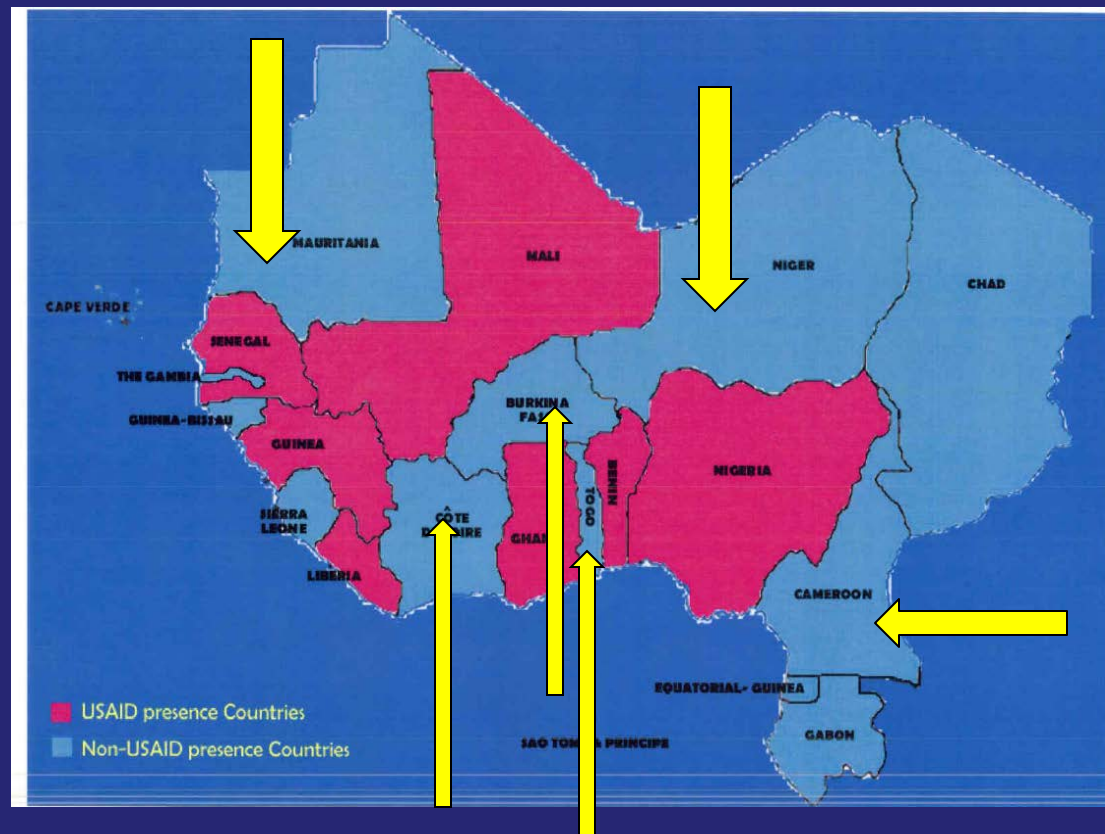

USAID
FROM THE AMERICAN PEOPLE

WEST AFRICA

Regional Health Office Mandate

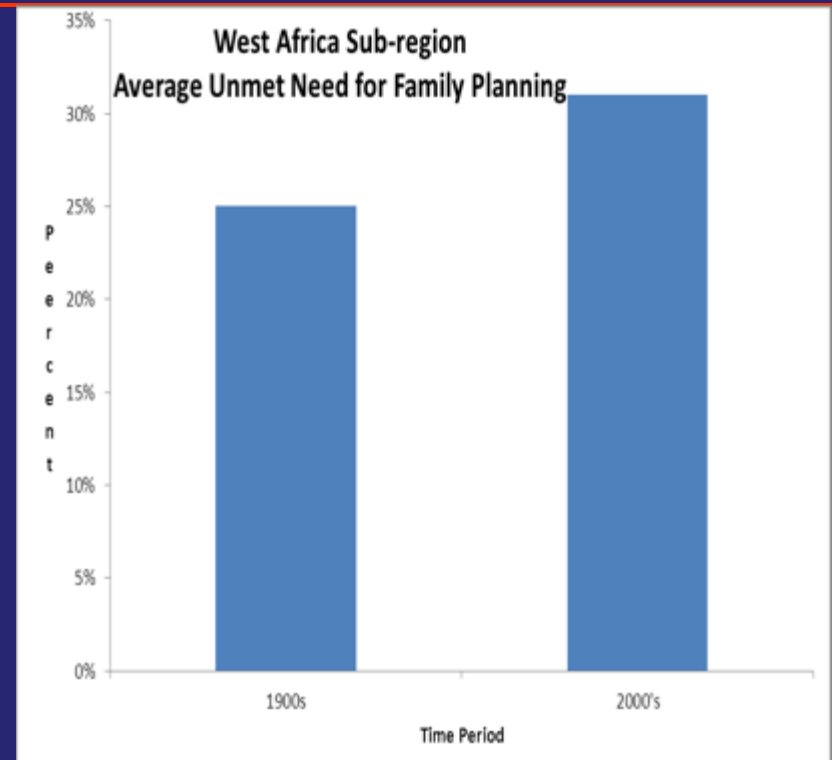

- As defined by U.S. Department of State, the “WA” region comprises 21 countries, 7 of which have bilateral Missions.
- The Regional Health Office focuses its efforts on the 14 Non-Presence Countries and synergize with bilateral missions.

What are we doing for PAC?

- Unmet needs for FP is one of the roots cause of unsafe abortion
- USAID HIP: offer FP counseling and method at the same time and location with PAC services

USAID | WEST AFRICA
